Main articles: Rich Dad and Rich Dad Poor Dad Kiyosaki operates through a number of companies wholly or partially owned by Kiyosaki, and through franchising agreements with other companies authorized to use his name for a commission. [30] This includes Rich Dad LLC, Whitney Information Network, Rich Dad Education and Rich Dad Academy. In addition to publishing several books on economic and financial advice, Kiyosaki also wrote the preface to Tom Wheelwright's 2012 Tax-Free Wealth. [32] Kiyosaki's financial and commercial teachings focus on what he calls "financial education"; generating passive income by focusing on business and investment opportunities, such as real estate investments, businesses, stocks and commodities, with the aim of being able to support itself only with these investments and thus achieve true financial independence. Robert confirmed the separation in an interview with Daniela Stansberry Cambue Research on 10 June 2021. He was sued by his colleague Author Sharon Lechter in 2007 for not having complied with the terms of their agreement. The Kiyosaki Council was criticized for emphasizing anecdotes and did not contain any concrete council on how readers should proceed or work. He replies that his material is destined to be a motivational tool to make readers think of money rather than a guide to wealth, that "rich father" was a fictitious character, [46] and that books should be "interesting "Rather than involving much technical material. John Reed, a real estate consultant, stresses that Kiyosaki's books often recommend practices like the illegal use of suggestions from rich friends (insider trading), as well as purchases of wrapped properties and taking more debts on credit cards than You can manage and declare bankruptcy whenever your plans go wrong. In an interview with the Canadian Broadcasting Corporation, he admitted to having collaborated with a real estate company to promote their activity through his own seminars.
